RABBIT HAEMORRHAGIC DISEASE IN BC

Dr. Jane Pritchard, BC's Chief Veterinary Officer, wants BC veterinarians to know that rabbit haemorrhagic disease, caused by a calicivirus, has been found to be responsible for the death of rabbits in the Nanaimo area. BC veterinarians can find information to support their rabbit-owning clients by visiting the Chapter's bulletin board where information can be shared. <https://www.canadianveterinarians.net/sbcv/message-boards.aspx>

SAVE THE DATE

The CVMA-SBCV Chapter Fall Conference and Trade Show is on Friday evening, Saturday and Sunday, November 2, 3, and 4, 2018 at the Pinnacle Hotel Harbourfront. Topics are Fear Free initiatives featuring Dr Marty Becker, Cardiology with Dr. William Rausch, Pathology with Dr. Nicole Fernandez, and more still to be announced.

BC CLASSIFIED ADS

The CVMA-SBCV Chapter Online Classified Ads is the Chapter's one-stop shop for finding veterinarians or clinic staff or for finding work in BC. Chapter members enjoy a 50% discount on the cost, and when you use the BC Classified ad button on the far right of the home page, all monies earned help fund Chapter activities right here in BC, including animal welfare initiatives.
