

ASF Emergency Preparedness

Veterinarians, technicians and technologists refresh your skills with the latest information and training

Online Sept 21 - Oct 19, 2021

ONLINE AFRICAN SWINE FEVER (ASF) EMERGENCY PREPAREDNESS COURSE

Informative

Benefit from the latest information and training in ASF recognition and serious animal disease response procedures as you work through seven engaging units.

Interactive

Connect with Canadian and international specialists during live interactive webinars and discussion forums.

Beneficial

Enhance existing skills while collecting continuing education credits (CE).

This program has been approved for 8 hours of CE credits in jurisdictions that recognize RACE approval.

Convenient

Complete the self-paced course in just 15 hours from the comfort of your office or home over a four-week period.

REGISTER: animalhealth.ca/ahem/training
